All other sections have the final exam on the last scheduled class meeting, including Section A, Section B, and Section 25. (Graduate Nursing and Doctoral classes will have a different finals schedule. See syllabus or program director for dates/times.)

Finals are to be given on the date and at the time scheduled. If a student needs to take an exam at an unscheduled date/time, the student must fill out a "Request to Reschedule Final Exam" form. This form will need to be approved first by the respective instructor and then by the student's dean. A \$40 fee will be charged.

If the published final examination schedule would give you three final examinations in one day, you have the option to reschedule one of these three examinations. If you plan to reschedule one of the exams, please use the process described in the paragraph above. In this case, the \$40 fee will be waived.
